A DealFlow Event

NOVEMBER 4-5, 2026

HARD ROCK HOTEL & CASINO  
HOLLYWOOD, FLORIDA

## GET IN FRONT OF PIPE INVESTORS

New this year at The PIPEs Conference is the “Quick Pitch” program connecting public companies with investors. This is a targeted opportunity that’s been added to the agenda to complement your one-on-one meetings.

As a participating company, you’ll have the opportunity to make a 5-minute presentation in a dedicated networking room to our audience of PIPE investors.

Ask around. The PIPEs Conference is the industry’s largest gathering. For more than two decades, this conference has brought together the investors, investment banks, and advisors responsible for today’s most innovative financing transactions.

### ALSO NEW THIS YEAR

#### ISSUER WORKSHOPS

Dive deeper by joining two new special programming sessions this year: the **PIPEs Accounting Workshop** and **PIPEs Legal Workshop** will offer in-depth information from our curated experts.
